## WASHINGTON PARK ENTRIES.

The Washington Park stakes for three-year-olds, other than the American Derby, are the Sheridan Stakes, Drexel Stakes and the Englewood Stakes for three-year-old fillies. The latter is the only Washington Park stake that shows a falling off from last year's figures, but at that it has all the fillies that performed well in the west last year engaged and will probably furnish a good field and an inspiring contest. The Sheridan and Drexel show material increase in entries over last year. The entries to the three stakes named being as follows:

The Sheridan Stakes—A sweepstakes for three-year-olds; \$10 to accompany the nomination, \$75 additional to start; \$4,000 added, of which \$1,000 to the second and \$300 to the third horse. A winner of a three-year-old stakes of the value of \$1,500 to carry 3 lbs.; of two such stakes or one of \$4,000, 5 lbs.; of three or more three-year-old stakes of the value of \$1,500 (selling stakes excepted), or one of the value of \$7,000, 7 lbs. extra. Maidens allowed 7 lbs. 76 nominations. One mile and a quarter.

G. T. G., Detroit, Mich. Changing from hurdle to the flat did not affect wagers on the race.

Added Starter, Cincinnati, O. The added starter did not count except as he might affect the odds. The backer of the horse that ran second, won, subject to a reduction of odds.

S. C. Hildreth has sold Chickadee back to James Ownbey. Hildreth took the mare out of a selling race from Ownbey a few days ago.

Winner—B. c. by Orsini—China Rose (trained by C. Lind).  
Went to post at 2:06. At post 1 minute. Start good. Won easily second the same. Orsius was best and made the running throughout displaying superior speed and has improved in staying. Priestlike, a good looking filly, was the only serious contender and should improve on today's race. Lady Gallantry outstayed Isabelita after a long stretch drive. Ripper closed up ground from a bad start. Mi Reina ran a bad race.  
Scratched—37172 Tamm, 108.

Winner—Ch. c. by Prince Royal—Intrusion (trained by T. G. Ferguson).  
Went to post at 2:30. At post 2 minutes. Start fair. Won easily; second the same. The Mighty ran as if he outclassed the field, got away in his stride and led unextended throughout. Punctillo came away from the others when he straightened out in the stretch and was closing up fast at the end. Rudolfo got away slowly and ran out on the turn or he might have been second, is a good looker and should do better. Emil is a slow beginner and may do better over a longer distance.  
The Mighty, show, out. Punctillo, show, 1 to 4. Rudolfo, show, 4 to 5.

Winner—B. h. by Artillery—Flossy (trained by J. M. Crane).  
Went to post at 2:59. At post 2 minutes. Start good. Won easily; second the same. Phil Archibald, favored by the stiff going, lucky and skillfully ridden, waited on the pace-maker to the stretch where he flashed into the lead and won going away. Forte trailed the field for the first half and moved up with a rush in the last three furlongs. Rim Rock was badly interfered with in the stretch and ran a good race. Alms Giver ran under a pull for a half and then swerved all over the stretch, seriously interfering with Ulloa. The latter was badly interfered with in the last furlong but was tiring and beaten at the time.

Overweights—Forte, 1 pound.  
Phil Archibald, show, 2 to 5. Forte, show, 4 to 5. Rim Rock, show, 2 to 1. Ulloa, show, out.

Winner—B. c. by Maxio—Pas Seul (trained by W. B. Jennings).  
Went to post at 3:26. At post 2 minutes. Start good. Won driving; second the same. Leader was skillfully ridden and reserved to the stretch where he made good with a game rush. Epicure forced the pace throughout and stood a long stretch drive, and would have beaten the winner but for swerving and a weak ride at the end. Gold Van, much the best, fell out of it on the first turn, and Waldo's four-mile tactics proved disastrous. He closed up a tremendous gap in the last half. Diderot was done at six furlongs. Grail went a good half after being nearly left at the post.

### NOTES OF THE TURF.

Gorman & Bauer, the Cincinnati turfmen, are said to have offered Talbot Bros., of Paris, Ky., \$5,500 for the four-year-old chestnut filly, Wainamoinen, by The Commoner—Matilda. They ask \$3,000 for her, but it is likely the trade will go through on a sort of a compromise, as it is believed the Cincinnati firm will go up to \$7,500 for the filly.

Young Redfern is progressing nicely. Last Friday night the doctors attending him thought that brain fever might set in and ordered ice bags kept on his head. Under this treatment the boy improved and is now doing well. It will be a week or ten days, however, before he is able to be around.

M. Goldblatt reports that the mare Brief will not be able to race for several months. She tore the sinews and tendons on the arm of her off fore leg when she fell, and is also bruised up and jarred.  
J. B. Givens has purchased of J. J. Mackessey the three-year-old chestnut, mare Paramount. The price paid was \$1,500.

Winner—Br. f. by Preston-pan—Mura (trained by C. Lind).  
Went to post at 4:23. At post 3 minutes. Start straggling. Won driving; second easily. Muresca received a running start and made the most of her advantage, leading by a wide margin to the stretch where she was tiring at the end. Champagne, away poorly, closed up much ground and was wearing the winner down at the end. Rinaldo II. followed the winner's pace closely for the first half and tired in the last quarter. Prue went well and probably favors a longer distance. Light Ball showed improved form, and raced in the heavy going throughout. Intrepido was outclassed. Homage, away badly, was running fast in the last quarter.

Went to post at 2:02. At post 2 minutes. Start good. Won driving; second the same.  
Eliza Dillon came from behind in the stretch and finished fast, outgamed Denny Duffy and Sir Kingston in a hot drive and got up in the last stride. Denny Duffy showed the most early speed but was used up in racing with Sir Kingston. The latter ran a good race but tired when called on strongly. Accolade closed a big gap. There was a lot of crowding at the start and Zack Ford and The Black Scot were knocked out of it.

Went to post at 2:34. At post 5 minutes. Start good. Won handily; second easily.  
Arachne began slowly and went around the leaders at the far turn, finished with a rush on the extreme outside and had something in reserve at the end. Breaker closed a big gap in the stretch run and was going fast at the end. Immortelle began slowly and came very fast in the last furlong and outgamed Jerry Hunt when it came to a drive. The latter showed the most early speed, but was made too much use of and tired. White Owl ran well to the stretch.

Winner—B. g, by Albert—Tommie Lee (trained by J. Williams).  
Went to post at 3:05. At post 5 minutes. Start good. Won driving; second handily.  
Albert Lee was well handled. He was interfered with at the first turn and crowded back but Lindsey brought him up on the extreme outside, went around the leaders at the turn into the homestretch and fought it out stoutly with Limelight in the stretch run. The latter came again at the end, and finished going fast. Free Pass tired as if short, and the race should improve him. Radiant Heat showed the most early speed but quit when it came to a drive. Ironis made up ground and finished well.

Went to post at 3:38. At post 2 minutes. Start good. Won driving; second easily.  
Harry New was outrun for the first half but Robbins kept him on the outside in the good going all the way. He was under a hard drive all of the last furlong and just managed to get up in time to beat St. Tammany. The latter, under improved handling, ran a good race and had no mishaps. Scotch Plaid saved much ground at the turn into the homestretch but tired when the pinch came. Hedge was used up chasing St. Tammany and tired at the end. The field raced closely bunched all the way.

Glennavis came fast from behind in the stretch run, caught the leaders tiring in the last sixteenth and outgamed Right and True when it came to a hard drive. McCaftly was of no help to the latter when it came to a finish and with a better rider up he would have won. Josette ran her race and hung on gamely under punishment. Spec began slowly and was as good as left at the post, but closed a big gap and was running past horses at the end. Silver Fringe and Frank Rice showed much early speed but quit after going a half.

## GOSSIP OF THE TURF.

The stewards of the Jockey Club held a meeting last Friday afternoon at the Windsor Arcade. August Belmont, Andrew Miller, F. K. Sturgis and J. B. Bradford were present. It was announced that licenses had been granted to Nash Turner and J. Rauch, the jockeys who have gone to France to ride for W. K. Vanderbilt this year. The granting of these licenses was only a matter of form, but it was necessary before the boys could receive licenses from the French Jockey Club.

The announcement that Milton Henry has decided to withdraw his suit against the French Jockey Club is taken to mean that Henry expects to be reinstated at an early date. The American jockey has evidently concluded to submit his case to the commission of prominent French turfmen who are considering the application of Johnny Reiff to be restored to good standing. If Reiff gets a license, it is believed that Henry will be equally successful.

Kilmarnock may be raced again. The great horse is now pronounced sound and is looking in prime condition. Upon the arrival of Kilmarnock, Invader, Ballyhoo Bay and Yankee in Kentucky last fall, it was announced that they were to be retired to the stud. But the advertisement of the La Belle stallions makes no mention of their being on the farm, and it is now stated that this bunch of horses which represents a cost of \$75,000 to Mr. W. C. Whitney, are to be raced in their old colors. Invader is also considered sound, but Yankee is on the doubtful list and Ballyhoo Bay's infirmity is well pronounced. Kilmarnock has the appearance of having in him yet a Suburban or Brooklyn Handicap race.

Since the commencement of the year betting on the English Derby has taken a wider range. Rock Sand is now a pronounced favorite at 7 to 2 taken, while 6 to 1 is offered against his stable companion, Flotsam, which, if he remains sound, will be Maher's mount; otherwise, that jockey will be on the favorite. Rabelais finds admirers willing to take 6 to 1 freely about his chance, while 100 to 8 is on offer against his stable companion, King Edward's Mead, some prejudice existing against this colt on account of his color, being golden chestnut, while all the great horses descended from Blacklock sires have hitherto been blacks, browns or very dark bays. Acefull has been so heavily supported of late that his price has been cut to 10 to 1. He will, of course, be "Skeets" Martin's mount. None of Mr. Keene's lot has yet been introduced into the quotations, but as soon as Matt Allen gets busy some move will probably be made in this direction. Richard Croker's St. Patrick's Day has been strongly supported, but 20 to 1 is still on offer against him.

(SPECIAL DISPATCH.)

## To the American Racing Public:

The Riley Grannan Company has been incorporated under the laws of the State of Louisiana, with a paid up capital of \$100,000, for the purpose of transacting a general turf information and commission business. I have been elected President and will direct the operations of the company in the interest of hundreds of friends who have already signified a desire to become patrons, and in the interest of the general racing public, whom I shall be glad to enroll individually on the books of the company as regular subscribers to the service, full particulars of which are set forth below.

I hope I need hardly refer to my long career as a bettor, bookmaker, handicapper and general form expert, or to my inside connections with prominent owners and trainers to secure patronage. Every angle of the game is an open book to me, and I have pledged myself to the gentlemen who are backing me with practically unlimited capital to give to patrons of the company the fruits of my experience. I have already organized a large staff of clockers to watch the preparations of the horses on the ground in the early morning hours, and may add that my force is the best organization of its kind which money and a knowledge of experts can bring together. I have, also, heard from at least two hundred owners and trainers within the past forty-eight hours who express willingness to put their best information within my reach. The handicapping I shall do myself.

I am quite satisfied that the results which the company will be able to accomplish through this system of selecting winners will bring brilliant results. In all my racing career I have never had a losing week when I had for a basis such an organization. My personal winnings on such information have been as high as \$200,000 in a single week. My losses on the turf at different periods may be attributed to a stubbornness which at times I evinced in sticking to handicapping entirely.

The racing experience I have had is probably unique in turf history, and I trust it is not immodest for me to say it is a valuable asset to a turf advisory bureau.

That experience is now your property if you join us. Every morning I shall with the assistance referred to above, select what I consider the best and surest bets of the day, and on these the Riley Grannan Company will play the money of its clients. On some days it may be impossible to arrive at a decision that there is a single good bet on the card.

At others there may be four or five. The company will not therefore bind itself to make any stipulated number of bets. Such bets will be made that seem judicious, and no others. The Riley Grannan Company will conduct business on the following basis:

Terms for information, \$5 per day and no charge unless we send you a starter. The smallest sum we will undertake to place for any client is \$10 on each selection. The smallest account we will accept is \$100. From every account we will deduct \$5 daily in advance for the information. At the end of each week a check will be mailed for any profits that accrue, less five per cent. of the net winnings which will cover our expenses in placing your money. Whether the account wins or losses, a statement will be mailed at the end of each week.

There is no limit to the amount which may be sent us for play.

A remittance of \$100 will insure a \$10 play on each selection. A remittance of \$200 will insure a \$20 play on each selection. A remittance of \$300 will insure a \$30 play on each selection. A remittance of \$400 will insure a \$40 play on each selection. A remittance of \$500 will insure a \$50 play on each selection, and so on. The reason a sum so much in excess of a single bet is required is that the company will at times bet your money on losers as well as winners. The best horse does not win every race and we may have an occasional bad streak. By having a sufficient amount of capital with the company, you will in all probability be protected against such a contingency. I have never personally made over seven straight losing bets in my life. Experiences differ in this respect, but it would be the height of folly for anybody to send in an account to be played for him without protecting it against a few successive losers.

I entertain the very greatest confidence in the ability of the company to make you a handsome winner. I have gathered about me the very best force of experts obtainable and have backing to the extent that must enable me to succeed. I give you the strongest assurance that any accounts you intrust to the Riley Grannan Company will be played on the best selections that money and brains can secure, and that you will get the squarest run for your money that has ever been given to anybody in racing. This being my original venture in this department of the game, you will readily understand what success or failure means to me. I have a reputation to sustain and if I did not think I could sustain it and improve upon it, I would not now be addressing you.

Here are a few additional particulars that have bearing on the plans of the Riley Grannan Company.

The charge for placing your money will be five per cent. of the net weekly profits. Selections will be mailed to subscribers for whom we place money before the races are run.

Racing enthusiasts who are in a position to operate their own money can have the information wired to them every day at noon for \$10 per day. The rate is made higher for those who play their own money for the reason that it is necessary to keep the information as exclusive as possible, and to prevent piracy. All telegrams sent at cost of subscribers.

Make all remittances payable to the Riley Grannan Company. Remit money by express, money order, post office money order or certified check if possible. Register your mail when you send cash.

Address, The Riley Grannan Company, 619 Common Street, New Orleans, La.

All orders will be booked and acknowledgements sent in the order of their reception. Operations will be commenced on February 16 at New Orleans and continue for thirty racing days here, until March 31. After New Orleans operations will be conducted at Memphis, beginning March 28.

All accounts will be operated continuously until ordered withdrawn. Intending subscribers should forward money as early as possible to be in on opening day—February 16.

RILEY GRANNAN.
